

RECOMMENDED USE: As a dietary supplement, take two (2) capsules two to three (2-3) times daily with or without meals. This product can also be taken 30 minutes before exercise as one of your daily doses. If this is your first time taking Ripped Juice begin with half the recommended dosage to assess your tolerance. To avoid sleeplessness, do not take within 6 hours of bedtime. For full effect take for five full days. Some individuals may experience results sooner. For best results, use as part of an appropriate diet and exercise program.

The most advanced thermogenic formula, has been uniquely designed to out perform any other fat burning product on the market. With the most effective blend of 16 different ingredients, RIPPED JUICE has the most powerful source of thermogenic ingredients proven to not only melt fat, cut your appetite but also maintain lean muscle mass. Fat burning has been completely revolutionized!†

CAUTION: Reduce or discontinue use if nervousness, tremor, sleeplessness or nausea occurs. Not for use by persons under the age of 18.
